by Dorothy McCain Elsenius

Mr. and Mrs. John Corey of the Dolores Apts., will be honored tomorrow on the occasion of their 60th wedding anniversary. Their daughter, Mrs. Clyde Stone of Albany, will hostess a party for them at the Albany Senior Center, and our warmest wishes go out to the fortunate couple.

The Albany Planning and Zoning Commission (one of Albany's most important commissions, held their annual re-organization of members at a recent meeting.

Albany attorney, William Jonsson, has been elected as chairman. He will be assisted by Col. Sam Dows, as vice-chairman. Other members are William McKenna, Art Longpre and Bob Luoma.

\* \* \*

Don Goss has been selected to represent the Bayview Aerie 2323 at the District Twelve awards for "Eagle of the Year" honors.

Don, a hard working Eagle, is in charge of the hall and spends his free time doing things to improve the Aerie Hall in El Cerrito.

He also prepares all the snacks consumed by Eagles after their meetings, helps to prepare all their social events, does the clean-up work, and generally does his best to make the meeting place a delightful place. Incidentally, his fellow club members say he is one of their best pinocle players, too.

More names to take off the sick list: Kay Haesloop, our former Senior Center correspondent, is on deck again after a short stay at the Southern Pacific Hospital in San Francisco. Welcome back, Kay—and keep in good health.

\* \* \*

Also, Bob Spomer, member and past commander of Albany Post 292, American Legion, has returned from a stay in the Veterans' Hospital in Martinez.

\* \* \*

Miss Carolyn J. Dietz, of Kampala, Uganda, East Africa, has returned home to be with her father, William W. Dietz of Ventura Avenue, who is critically ill. We wish him a speedy recovery.

Congratulations to the winners in last Saturday's Albany Little League Youth Fund drawing. The \$100 Savings Bond went to Gail Gillis, 1080 Neilson St.; \$50 bond, Ralph Buckwalter, 655 Spokane, and the \$25 bond was won by M. Aoki, 938 Polk.

Poor Don Dupin, Albany Park and Recreation director, has so much overtime clocked up, he says he should be able to retire any day now... the only trouble is that he has been working so hard and long in Albany that he hasn't had time to build the Lake Tahoe cabin he hopes to retire in, someday.

Albany Rotary "Day at the Races" has been set for Tuesday, June 13, and according to our local Rotarians "you can't afford to miss this one."

Tickets will be \$6 and will include admission to the Turf Club. (Continued on Page 3)

## Clean-Up Week Announcement

"Annual Clean-Up Week" for the City of Albany, has been set for June 5 through June 9, with the slogan "Clean Up — Don't Burn Up!"

During this week rubbish and trash will be collected free of charge, as a public service offered by the City of Albany and the Oakland Scavenger Company.

Albany residents are urged to take advantage of this opportunity to rid their homes of unwanted accumulations, to make their homes "fire safe."

Trash will be picked up on the regular garbage collection day, but not necessarily at the same time. However, all trash to be picked up must be placed on the parking strip the night before the regular garbage pick-up day.

Rock, earth, garbage, cement or other similar materials will not be picked up. Ashes, in 5-gallon maximum size containers will be picked up. Those wishing to retain their barrels or other containers must mark them in order to avoid having them picked-up. ALL CONTAINERS WILL BE PICKED UP UNLESS THEY ARE MARKED FOR RETAINMENT.

The following limitations will be placed on each household: a) 100 pounds maximum weight of one object; b) 6 foot maximum length of one object, and c) 2 cubic yards maximum volume from each dwelling unit.

This free pickup service is for dwelling places only. Trash and rubbish from commercial establishments will not be picked up under this free service offer.

For further information regarding Clean-Up Week, please call the Albany Fire Dept., 525-7141 or the Albany City Engineer's office, 526-6116.

## Countdown Party

The "McGovern Countdown Party — One Week to Victory" will get off the ground at the Albany McGovern Headquarters, 1552 Solano Ave., Albany, Saturday, May 27, at 8:30 p.m.

Everyone supporting a victory for Senator McGovern in the June 6 primary—workers, voters and fun-lovers—are invited to come.

Victory party chairman, Mary Ann Burki, promises surprise guests, entertainment by a well-known folk singer and door prizes galore. All this plus a bar and buffet, will be available for a mere \$2 campaign donation.

Eagerly assisting Ms. Burki with the party are Dario Meniketti, Kirk Rumble, Betsy Lawson and Don Terry.

A last minute report indicates that TV and film star Polly Bergen will be a special guest at the affair.

## Appeal Decision Held Over for Another Week

After a lively public hearing Monday night, on Albany architect Leon Rimov's appeal of the granting of a use permit by the Planning and Zoning Commission, for a rear yard variance at 711 Hillside Avenue, the Albany City Council decided to hold their decision over for one week.

Charges and rebuttals, which sometimes wandered from the subject at hand, were heard from Rimov on one side, and attorney Marvin Coalangelo and structural engineer Fook Zee Lee, representing the property owner, Mrs. Peter Tam, on the other.

Both sides came prepared with portfolios full of graphs, designs, pictures and plans to back up their statements, and were given equal time to state their side, before Council members, confused by conflicting statements, instructed the City Engineer to check the percentage of the grade (slope) of the proposed driveway, and to check on its possible encroachment on neighboring property. James Turner will report his findings to the Council at the May 30 meeting.

In other action, the Council referred a budget request from Albany Little League to the 1972-73 Budget Committee, and instructed the City Attorney, Larry Saler, to prepare the necessary resolution for the Council's opposition to Proposition No. 9 on the June ballot.

Resolutions No. 72-33, directing the installation of a stop sign at Garfield and Masonic Avenues, and No. 72-34, authorizing an agreement with BARTD for the installation of "pathfinder" signs to direct patrons to the BART station, were adopted.

Her hobby is oil and water color paintings, and some of her work will be on exhibit at Gallery in Northern California next month. She also has a lovely collection of Bonsai trees.

## Come To The AHS Cabaret

The Albany High School Orchestra and Choir, fresh from a weekend of practicing and fun in the redwoods at Berkeley's famed Cazadero Music Camp, will present their annual Cabaret Concert Thursday evening, May 25, at 6:30 p.m. in the high school cafeteria.

This year the musicians are having 1920's "Gangland Cabaret," remaking the cafeteria to resemble a dimly-lit prohibition speakeasy. Orchestra members will dress up like hoods, and the audience will sit around candle-lit tables to enjoy the music. The Albany High Senior Parents will serve drinks and dessert for a small price, but have promised to stop short of bathtub gin in deference to school regulations.

Featured soloists will be Lauri Klobas, oboist, Jon Saler, clarinetist, and Harriet Bailey, cellist.

Lauri Klobas will play the first movement of the Vivaldi Oboe Concerto in D minor. She is a senior, and principal oboe in Band and Wind Ensemble. She is assistant principal oboe and solo English horn player in Orchestra.

Senior Jon Saler is principal clarinetist in Albany's Orchestra and Wind Ensemble. He will play the Stamitz Clarinet Concerto at the concert.

Principal cellist Harriet Bailey is a junior, and in her second year as cello section leader. She is a pupil of former Albany cellist, John Bennett. She will perform the soulful "Elegie" by Faure.

The Orchestra, under the direction of Ernest Douglas, will also play Aaron Copland's rousing "Hoedown," from the ballet "Rodeo," four "Polovetsian Dances" by Borodin, and selections from "The Sound of Music."

The Choir, under the direction of Dusty Hellsbeck, will sing "The Smiles of Youth," two folk songs in a setting by Brahms, the Appalachian folk song "Every Night When the Sun Goes In," the early American hymn "Amazing Grace," and several novelties and popular selections.

The public is cordially invited, and urged to attend this popular concert that has played to full houses for the past four years. There is no admission charge.

## Hill Friends Plan Meeting

A public meeting is planned for May 31 (Wednesday) for a new group called Friends of Albany Hill. While it is contemplated that its leaders will be Albany residents, donations from throughout the East Bay will be most welcome.

The money is needed in the effort to save the most valuable portions of the hill for a park. It is of the essence, since the 30-day building freeze approved by the Albany City Council recently may end in August.

Those wishing to become trustees of the new organization may send checks in any amount—made out to Friends of Albany Hill—to P.O. Box 6054, Albany, Calif. 94706.

The May 31 meeting will be held in the Cornell School cafeteria from 7:30 to 9:30 p.m. Children are invited to come to see Neil Havlik's color slides of four seasons on Albany Hill (and then to adjourn to the playground). Long-time residents are requested to bring with them stories and pictures of the Hill.

All those interested in preserving Albany Hill's unique scenic, open space & natural values are also reminded that the City Council will hold a public hearing on the apartment complex, approved by Planning and Zoning for the crest of the hill. The hearing is scheduled for 8 p.m., Monday, June 19.

## Girls' Baseball

The Albany Park and Recreation Department is sponsoring a Baseball League for girls, ages 9-12. Opening day will be Sunday, May 28, at the Albany Community Center baseball field. The first game will be at 10 a.m., second game at 11:15 a.m.

The League will consist of a double round robin with four teams playing. First games scheduled are: Fearsome Filles vs. T-Shirt Tuffies and Stuffed Shirts vs. The Smackers. Some 50 girls are participating in the League.

## Tideland Hearing Today

Although the City of Albany appears to be optimistic over the chances of retaining its tidelands grant, petitions and letters are being forwarded to Sacramento, to be read at today's hearing.

A letter addressed to the State Lands Commission, reads as follows:

"The Albany Chamber of Commerce approves and completely supports the program instituted by the Albany City Council, in developing the Albany Tidelands, using a quality landfill to form a solid base for the well-defined Three Isle Plan, integrating recreation along with environmental and commercial development.

The program fits in perfectly with the adjacent Golden Gate Fields property, Albany's greatest source of tax revenue.

We urge retention of this Tidelands grant to insure completion of this worthwhile project."

The letter was signed by Harold G. Denham, chamber manager; and Ralph P. Hill, president.

Another communication, from Del Wisenor, president of the Albany Homeowners and Taxpayers Association told the Commission that Association "supports the City of Albany's position on the Albany Waterfront Plan and Fill."

Urging the Commission's strong consideration to continue this Tidelands grant, Wisenor's letter noted that the City has complied with the substantial improvement clause.

The land in question is 1680 acres of tide and submerged land which Albany was given authority over in 1919. A grant received by the City in 1961 was extended to allow the development of the area.

Today's hearing, before the State Lands Commission, will take into consideration only the lands and uses contained in the 1961 grant.

## Holiday Bus Runs

Sunday schedules will be in effect on all AC Transit bus lines on Monday, May 29, Memorial Day, except for special runs to Golden Gate Fields.

Special Line L-San Francisco Express buses will leave the transbay transit terminal direct to the Albany racetrack, beginning approximately 11 a.m. and continuing at frequent intervals until 30 minutes before the 1 p.m. post time.

Line 94 shuttle buses will leave University and Shattuck Aves. in Berkeley every 10 minutes between 10:36 a.m. and 4:58 p.m. Extra service to East Bay cemeteries will be provided as needed.

And more news from our local Rotary Club... their scholarship committee has announced that Sherry Harlan, Albany High School senior, is the winner of one of the four Armstrong Scholarships made available to Rotary

District 516.

This is in addition to a second Armstrong Scholarship, which was awarded to another Albany High School senior, Shaun Allen.

William Fellman, husband of the former Pamela Valli of Albany, was one of the student speakers at the graduation exercises, held last week at Armstrong College in Berkeley.

School activities for the graduate, who just completed his requirements for a bachelor's degree in Marketing, included: serving as Men's Representative to the Student Body, vice-president of Kappa Sigma Gamma fraternity, vice-president of the Business Management Club, and vice-president of the Student Body.

Bill is the son-in-law of Mr. and Mrs. Ted Valli of Albany. He and his wife, Pam, make their residence in El Sobrante.

We have heard that square-dance buffs will really go out of their way to be "where the action is," and the Bauchmans of

Albany are no exception.

On a recent Friday evening, after working all day, Adele and Whitey drove to Tehachapi for an evening of square dancing and visiting with their old friends, Betty and Jim Phillips.

Saturday they visited Mojave, with a side inspection trip of a yucca and Joshua tree forest. Then Saturday evening they were off to Bakersfield, for another evening of square dancing. They returned home to Albany Sunday evening, tired but happy.

What kind of vitamins are you folks taking now?

Isn't today's medical science wonderful? Recent news from Children's Hospital Medical Center told of a two-month-old little girl from Sonoma, who made medical history by becoming the youngest child to have a miniaturized pacemaker implanted in her heart. Ivan May, M.D., chief of the hospital's heart surgery team, installed a permanent myocardial pacemaker in Nicole Kruljac earlier this month, and she's doing fine. "Happy and eating," is the latest report.

The recent Lions Club Convention, held in Santa Rosa, ended on a very sad note, with the death of Lion Paul Armstrong. Paul was a former member of the now defunct Kensington

Lions Club, currently with the El Cerrito Club, and well-known to members of the Albany Club.

And finally, congratulations to a very popular and community minded Albany couple, on their 25th wedding anniversary. Ginger and Al Drozda were feted at a party given by their two daughters, Lynn and Susan, and after having survived these past 25 years, raising two daughters, the Lions Club presidency, American Legion Post 292 and Auxiliary Unit 292 activities, as well as a host of other community affairs, the Drozdas are looking forward to the next 25—which should be even more fun.

Mr. and Mrs. Henry Bellerive of Carmel Ave. are happily informing their many friends that their son, Jim (James H. Bellerive) recently passed his California State Bar examination.

Jim, a graduate of Marin Elementary School and St. Mary's High School, is a sergeant with the Alameda County Sheriff's Dept., having served in that department for the past 13 years.

There will be a PTA-sponsored choral program, by Marin School 6th and 7th graders, to be held in the school auditorium Thursday, May 25, at 1 p.m. The public is cordially invited.

Don't forget—if you haven't gotten your tickets for the Retirement Dinner for Three (teachers Hillman, Hughes & Turner), the deadline for reservations is Tuesday, May 30. Tickets at \$7.15 each are available at Albany High School and the Albany Times office. The event will be held Friday, June 2, at 6:30 p.m., in the Windsor Room of the Lordships Restaurant on the Berkeley Marina. A goodly crowd is expected to honor these teachers who have labored long and hard to educate our children.

## May Cyclethon

Alameda County Heart Association officials reported that the recently held (Saturday, May 6) Cyclethon raised \$8,000. The money will be used to further research into the causes and cures of heart disease and towards establishing American Youth Hostels in the Bay Area.

This marks the second year that the Heart Association and the American Youth Hostels have co-sponsored the fund raising event under the chairmanship of

Jim Otto, Oakland Raiders all-pro center.

There was an increase in the number of riders from 250 in 1971 to 400 this year and the figures show a substantial gain of more than \$3,500 over the previous year.

The Cyclethon was staged at five different cities throughout Alameda County (Oakland, Alameda, San Leandro, Fremont and Livermore) and chairman Otto stated that officials from both groups were pleased with the results.

## I'M NOT DEAF!

Under normal conditions, I hear well enough. But sometimes my ultraminiature DAHLBERG MIRACLEEAR® hearing aid is a blessing. I just put it in my ear and hear more clearly. It is so natural sounding—nothing above my ear, or below my ear. Nothing behind my ear or in front of my ear. No tubes, nor wires, no scratchy sounds. It is especially designed for those who hear but do not always understand—a classic symptom of nerve impairment. If diagnosis shows you

have this type of loss, this modern hearing aid may give you the extra "life" you need to live a full and active life! Rush this coupon. You'll receive descriptive pamphlet promptly.

83,000 new households here will need electricity this year—and the new power facilities to provide it.

The birth rate has been dropping and fewer people are moving to California, but nevertheless growing population is a fact of life. We must provide power facilities to serve these families' homes and jobs, plus the new stores, street lights and other public facilities they require.

If our construction program is slowed down unduly or stopped, the growing demand for electricity would exceed supply, and brownouts

or blackouts would be inevitable. Some individuals and groups are trying to slow down or stop construction

of electric plants and transmission lines. However, we must continue building. And nowadays it takes about 10 years to acquire a suitable site, obtain regulatory approvals, construct and get a new power plant "on the line."

Qualified, competent and responsible public agencies assure that

in building new facilities we serve the best public interests, including environmental and ecological considerations.

To keep your electricity on tomorrow, we must build today. PG&E

470-9118 THE KEYERS

When you spend an evening out, the last thing you want to do is worry about your youngsters at home. Here are a few suggestions that may help both you and the babysitter relax.

Write down the names of the places you're going, the phone numbers and the approximate time you'll be at each place. Have emergency numbers, including the family doctor's written down, too. There are special blanks for emergency numbers on the inside cover of your phone book.

Taking these simple precautions before you leave home will make your night out more enjoyable.

Here's something we want you to know. Everyone from Pacific Telephone who visits your home or business carries an official identification card. These ID cards show each employee's name, photograph and signature. If you ever have the slightest doubt about anyone who says, "I'm from the telephone company," just ask to see proof. Our people will be glad to show you their identification.
